Landscaping (Horticulture) (Level 5)

UHI Perth

Venues

Main Campus

Content

Horticulture and landscaping have always been strong areas for employment across Perth and Kinross. Estates, ornamental gardens, nurseries, retail outlets and domestic properties in the area allow businesses to take root and grow and provide work for those with an interest and desire in following a career in horticulture. This course offers you a chance to gain practical skills in a range of important gardening and landscaping skills to get you started in a career in the horticultural trade.

You will study a range of hard landscaping subjects such as:

laying paving and mono-blocking, fencing, walling, and soft landscaping subjects including planting and plant maintenance, lawn care.
