

Certificate: Vehicle Body Repair

UHI Perth

Venues

Main Campus

Content

This course focuses on the basics of Vehicle Body Repair. We aim to enhance the hand skills of our students, including fabrication of steel into Motor Vehicle panels. Within the course, you will learn MIG/MAG Welding and Brazing, Resistance Spot Welding and basic dent repair.

This is a College Certificate at SCQF Level 4, with a focus on practical experience and learning basic panel beating techniques.
