Access to Physical Science (SWAP)

UHI Perth

Venues

Main Campus

Content

This innovative new course has been developed in response to the increased demand for adults looking for a more flexible method of learning and for those who may not be able to come to a college campus for study. This programme is part of the Scottish Wider Access Programme (SWAP) for adults who have been out of full-time education for a while.

You will study a range of subjects at SCQF level 5 and 6, including Chemistry, Physics and Maths , as well as units in Experimental Procedures, ICT and Communication. You will also gain practical laboratory and field experience in experimental procedures through intensive practical weeks in Perth.

Start Date

September

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Science, Nature and the Environment
