Ayr Campus

Content

This course is a gateway to supervisory roles in the dynamic hospitality and events industry. It can open doors to many exciting career opportunities. The advanced customer service expertise you'll gain and hands-on training you'll receive will prepare you to provide first class experiences in hotels, restaurants and in the wider events industry. Along with a main focus on Hospitality and restaurant service you will involve yourself in understanding events across a wide industry spectrum such as music, theatre, and conferencing.

This course includes:

Hands-on training - spend one day each week serving customers in the live training restaurant, Westerly; Expert knowledge - acquire in-depth knowledge of both food and drinks so you can provide informed recommendations to customers; Financial literacy - learn how to cost out recipes and events, a crucial skill for success in hospitality management; Event management - plan and execute your very own event, putting your skills into practice; Functions - participate in real functions such as business events or bespoke dinners, gaining exposure to the operational side of the industry; Industry visits - explore renowned establishments broadening your industry perspective; Masterclasses - take part in masterclasses led by local industry professionals, providing expertise to enrich your learning; Employer insights - hear valuable tips from leading employers, successful venue owners and industry suppliers which will help you advance in hospitality.
