Pre-Apprenticeship in Bricklaying (Level 5)

Dumfries and Galloway College

Venues

Dumfries Campus

Content

This course is designed to give you the skills, knowledge, and attitudes needed to progress toward becoming an apprentice bricklayer.

You'll spend most of your time in practical sessions, learning core bricklaying techniques, supported by a small amount of theory to help you understand the principles behind the craft.

Alongside trade-specific skills, you'll also develop essential transferable skills.

Start Date

August

Qualification

NQ
