

Electrical and Mechanical Engineering Systems (Level 6)

City of Glasgow College

Venues

Riverside Campus

Content

If you're interested in engineering but haven't yet decided which branch suits you best, this NC Electrical and Mechanical Engineering Systems course is the ideal starting point. It introduces you to the core principles behind both electrical and mechanical engineering, helping you develop versatile problem-solving skills across two closely connected fields.

These are some of the units you may study:

Engineering Systems; Combinational Logic; Communication; Practical Electronics; CAD for Engineers; Electrical Principles; Mechanical Engineering Principles; Engineering Materials; Electronic Testing and Measurement; Mathematics for Technicians 1; Engineering: Applying Information Technology.

Start Date

August

Qualification

NC

Study Method

Full time

Course Length

1 year

Department

Engineering

Entry Requirements

4 subjects at National 5 including Maths and a science subject, or relevant national qualifications at SCQF Level 6. You'll be invited to an interview.

SCQF Level

6

SCQF Points

«SCQFPoints»

Progression Routes

Relevant HNC, HND and onto degree.

Combination Courses
