Content

This engaging and motivating Vocationally Related Qualification (VRQ) is generally aimed at learners 16-19 years old, but open to all age groups who have a keen interest to learn about the maintenance of various types of transport, mainly focussing on light vehicles (cars and vans), and the job roles that are available within the sector.

This qualification consists of a combination of units from Health and Safety practices, Foundation Skills, Personal Social Development (PSD), and Mechanical covering various types of vehicles including light vehicles, plus additional unit groups. This general route for Transport Maintenance allows learners to have the flexibility to develop their knowledge and skills across a variety of specialist areas to prepare them for further studies and potentially enter into a job role they desire.
