Applied Sciences

Dundee and Angus College

Venues

Kingsway Campus

Content

This course covers a wide range of theoretical aspects of chemistry and biology relevant to future study or a career in Life Sciences. In addition to developing knowledge in Life Sciences, this programme also offers the opportunity to develop practical and research skills, which are relevant for working within industry, and provides experience in modern laboratory techniques such as PCR and gel electrophoresis.

The course acts as excellent preparation for progression towards further study at university or employment.

Start Date

August

Qualification

HNC

Study Method

Part time (day)

Course Length

2 years

Department

Science

Entry Requirements

2 Highers including Biology, Chemistry or Human Biology plus Maths at National 5, or relevant national qualifications at SCQF Level 6.

SCQF Level

7
