Intermediate Certificate: Social Science and Self (Level 5)

Fife College

Venues

Dunfermline City Campus
Kirkcaldy Campus

Content

Discover how social science helps us understand ourselves and the world around us. This course explores identity, relationships, and society through Sociology, Psychology, and History, offering insights into how we think, work together, and shape our communities. Perfect for building critical thinking and preparing for further study or careers.

You will explore a range of engaging and relevant topics, including:
Sociology and History – understanding how society has developed and how people influence change; Personal Development and Awareness Skills – reflecting on your own strengths, goals, and growth; CV Building and Preparation for Employment – developing employability and career-readiness skills.
