Content

This year-long course offers a supportive and structured route into the fast-paced world of barbering.

Designed for school leavers, younger learners and those who'll benefit from additional employability support, it combines practical barber training with a strong focus on personal development and work readiness.

Delivered by industry professionals and Glasgow Kelvin College's qualified lecturers, MADE @ Kelvin offers recognised City & Guilds certification and real barbershop experience within our commercial salon at Springburn Campus.

You'll learn everything from client consultation and cutting techniques to social media marketing and customer care, developing the confidence to work with clients and build your own professional profile.
