Cumbernauld Campus

Content

Access and Progression offers a variety of personal development and employability programmes at both SCQF Level 3 and 4. The courses are aimed to give students a grounding in employability, personal development, social confidence and life skills. The courses would suit prospective students with mild to moderate additional support needs. Courses are offered for both one and two years' duration.

On this course, you will cover a range of topics including:

Employability skills; Independent travel; Mental health and wellbeing; Personal finance; Taster options; Digital literacy and core skills.
