AI and Data Science (Level 5)

New College Lanarkshire

Venues

Coatbridge Campus
Cumbernauld Campus
Motherwell Campus

Content

This course introduces learners to the fast-growing fields of Artificial Intelligence and Data Science, providing practical skills and essential knowledge for progression into further study or emerging careers in technology. You'll explore how data is collected, analysed, protected, and used to make intelligent decisions, while also developing key computing and programming skills.

You will study:

Artificial intelligence; Data science; Data citizenship; Data security; Data science statistics; Computer programming; Computer network fundamentals; Computing project.

Start Date

August

Qualification

NQ

Study Method

Full time

Course Length

1 year

Department

Computing and Digital Technologies

Entry Requirements

3 subjects at National 4 preferably including English, Maths and Computing Science, or relevant national qualifications at SCQF Level 4. Interview.

SCQF Level

5

SCQF Points

«SCQFPoints»

Progression Routes

Relevant course at SCQF Level 6

Combination Courses
