Content

This dynamic new course has been designed to equip you with the practical skills and theoretical knowledge necessary to ensure your progress in today's business environment.

It is aimed at individuals who wish to progress to an HNC study within Enterprise and Commerce. The broad range of subjects makes it an ideal entry point to pathways in Business, Marketing, Legal Services, Policing, Finance, Administration, and Accounting. It allows students to explore a variety of functions within an organisation. The practical nature of the course makes it an ideal option for those looking to refresh or gain new skills and are considering higher education.

You will gain a National Progression Award in Enterprise and Business.

The course will also develop the skills and knowledge required for starting a business, whether you have an idea or not, or if you have an idea but lack confidence or don’t know where to begin.
