

Fast Track to Nursing

Forth Valley College

Venues

Stirling Campus

Content

Fast Track to Nursing is a new innovative 18-week intensive programme, designed to progress applicants who may not yet meet the full entry requirements for direct university entry.

The course prepares students with a suitable foundation to seamlessly transition to an undergraduate Nursing degree at the University of Stirling.

The programme is streamlined and well-supported, with a curriculum designed to reflect the academic and personal development required to study Nursing at a university level.

Subjects Include:

3 Higher Care Units; Human Body in Health and Illness; Numeracy; Preparation for Higher Education.
