

A Career in Education: Let's Explore (Level 4)

New College Lanarkshire

Venues

Cumbernauld Campus

Content

Do you want a rewarding career in shaping the lives of young people, inspiring and mentoring them to become the best they can be, but not quite sure where to start? Then this course might be the one for you! Working in Education, whether Early Years, Primary or Secondary is a highly rewarding career. A career that provides you with the opportunity and privilege to make a positive impact on the next generation. You will be able to demonstrate and teach core skills and help to build young people's self-esteem and confidence.

This course will provide the opportunity to explore key subject areas within Education developing the relevant skills, knowledge and understanding to forge a career in working with Children and Young People:

Development and Wellbeing of Children and Young People; Children's Rights and Entitlements; STEM in Early Learning and Childcare; Exploring Outdoor Play; Play and Creativity.

At the end of the course applicants will be clearly signposted to courses most relevant to their interests and level of work within this programme.
