Accounting (3rd year entry) (in conjunction with the University of the West of Scotland)

South Lanarkshire College

Content

Part-qualified and newly qualified accountants are Scotland's most sought-after employees, according to previous research from Hays. The average salary for an accountant in Scotland is £37,500. This degree is offered in partnership with University of the West of Scotland, and taught at the South Lanarkshire College campus. It offers a thorough and advanced training for a career in accountancy, including financial and management accounting, taxation and auditing.
