Childhood Practice (2nd year entry)

South Lanarkshire College

Content

The HND Childhood Practice 1 Year is a full time course for those who have completed the HNC Childhood Practice, and is the next step in your academic journey.

Through a blend of online and face to face sessions, you will gain insight and knowledge in child development, care practice and much more. There will be a focus on leadership within childhood practice as well as how collaboration across the sector.

The lecturing team will develop your professional practice skill set as well as support you in learning how to use policies, legalisation and processes to enhance your practice.

There is an expectation for you to already be working in practice when you are on this course. If you are interested in this course, and not currently employed in the sector, please highlight this in your personal statement and it can be discussed further as there may be options for us to support you organising a placement.
