Accounting (in conjunction with Edinburgh Napier University) (3rd year entry)

West Lothian College

Content

The BA in Accounting (West Lothian College) course offers you the opportunity to build on your HND studies and progress directly into Year 3 of Edinburgh Napier University's Accounting degree.

The course combines practical knowledge and analytical skills to prepare you for a successful career in accounting, finance, and business management. You will study a range of advanced modules designed to deepen your understanding of financial management, auditing, taxation, and corporate reporting. The programme also focuses on developing your problem-solving, analytical, and decision-making skills through real-world business scenarios and case studies.

Modules include:

Corporate Financial Management; Advanced Management Accounting; Taxation; Advanced Corporate; Reporting; Auditing; Corporate Risk Management.
