# Healthcare Practice

South Lanarkshire College

## Content

You'll learn skills and knowledge to help you progress into nursing, midwifery (additional study may be required for this branch of nursing) and allied health professional careers. You'll learn through work placement, groupwork, lectures, industry visits and guest speakers. This NHS-recognised course will give you skills and knowledge in topics such as safe working practice for care, therapeutic relationships, and understanding behaviour. It also covers clinical skills for practitioners, the human body in health and illness, and mental health.
