Content

The BA (Hons) Dance and Drama degree at Edinburgh College is an intensive industry training course validated by Kingston University. Challenge your potential as you immerse yourself in theatre and performance through a range of techniques and approaches. This university-level course will ensure you are prepared to meet industry standards and progress into a career as a portfolio artist.

You will develop a range of transferable skills to equip you for the demands of a competitive world. Actors and performers have a massive influence on society, and this course aims to show you how to become a part of that influence. You will critically engage in industry practices and learn how to take a simple performance idea and bring it to life.

Throughout the course, you will gain essential experience in professional environments and make crucial connections with industry professionals. BA students have multiple opportunities to work in external venues across this performative Degree program, including The Studio Theatre, Traverse, Bedlam, and North Edinburgh Arts, among many others.
