Developing Skills in Events, Hospitality and Travel

Edinburgh College

Venues

Granton Campus

Content

This 18-week interactive course has been designed to give you an excellent introduction to the Events, Hospitality, and Travel industry. It is designed to develop customer service and organisational skills, discover dynamic employability subjects, and enhance your career prospects. Students will also participate in industry visits.

You will also be involved in hosting events and gain practical work experience in our Student Cafes to provide a realistic working environment and assist them with employment.
