

Project Search

West College Scotland

Venues

Greenock (Finnart Street) Campus

Content

This course is for people on the autistic spectrum and/or with a learning disability who want to increase their employment prospects. It is part of a partnership between West College Scotland, Inverclyde Council and NHS Greater Glasgow and Clyde.

The Project Search course is a 5-day-per-week program. You will develop your employability skills at Inverclyde Council and NHS Inverclyde in a class room setting, in subjects such as Team Building, Workplace Safety, Technology, Maintaining Employment, Self-advocacy, Financial Literacy, Health & Wellness, Preparing for Employment.

You will also participate in three, 10-week placements in a variety of job roles within Inverclyde Council and Inverclyde Royal Hospital. Work placements may include catering, housekeeping, administration and environmental roles. Each working day interns will complete a minimum of 4 hours real-life work experience, as well as additional classroom learning, such as employability skills for the full academic year.

You will be supported throughout the course by a college lecturer, job coaches and placement staff.
