Content

Our HND Acting and Performance develops skills to professional industry standards. Build a strong foundation in acting, movement, and voice in year one, refining these core skills in year two through advanced stagecraft techniques that stretch creative boundaries and deepen performance confidence. Explore the work of influential practitioners and experiment with innovative approaches to storytelling, taking part in three full-scale productions to gain real-world experience on stage.

You'll develop essential professional strategies for working in the fast-paced theatre industry, training in cutting-edge performing arts and rehearsal studios and bringing performances to life with the support of experienced drama technicians who deliver high-quality sound and lighting. Learn from passionate tutors with a wealth of industry and academic expertise, offering guidance throughout your development as both a performer and student of drama.
