Creative Arts (in conjunction with the Open College of the Arts)

Open University in Scotland

Content

This online creative arts degree offers an inspiring and flexible journey through a wide range of disciplines. You'll explore themes such as time, place, identity and global perspectives while developing your creative voice and understanding its place in contemporary culture. By combining multiple subjects, you'll refine your artistic language and build confidence in your ideas and practice. With regular tutor support, collaborative online activities and opportunities to showcase your work, the degree supports both personal and professional growth. It nurtures your creativity and offers a strong foundation for further study or a rewarding career in the creative and cultural sectors.

Key features:

Explore a wide range of artistic disciplines, including writing, graphic design, music, photography, contemporary art, drawing, painting, illustration, and textiles; Develop essential skills through the Creative Arts Skills Hub, and build your proficiency in multiple disciplines; Engage with themes like time, place and identity to broaden your artistic perspective and understanding; Discover your unique creative voice through interdisciplinary thinking and practical work.

Study at your own pace with the flexibility of our online degree, supported by dedicated tutors and a vibrant student community
