

Illustration (in conjunction with the Open College of the Arts)

Open University in Scotland

Content

Bring ideas to life through the power of visual storytelling. This online degree nurtures your ability to tell stories and convey complex ideas through visual art. From editorial illustrations to graphic novels, you'll explore diverse styles and mediums, developing your unique visual voice. The flexible distance learning format allows you to balance your creative growth with other life commitments, all while building a professional portfolio that showcases your evolving skills as an illustrator.

Key features:

Master a range of illustration techniques, both traditional and digital; Develop critical thinking skills to tackle diverse visual challenges; Engage with current trends and ethical considerations in illustration; Create a professional portfolio tailored to your career aspirations; Benefit from flexible online study supported by experienced illustrators.
