Interior Design (in conjunction with the Open College of the Arts)

Open University in Scotland

Content

Envision and create inspiring spaces with the BA (Honours) Interior Design degree. This online programme nurtures your ability to transform empty rooms into functional, aesthetically pleasing environments. Through a blend of creative exploration and technical skill development, you'll learn to design interiors that reflect the needs of people and societies. The flexible distance learning format allows you to balance your design studies with other commitments, all while building a professional portfolio that showcases your evolving spatial design skills.

Key features:

Explore various aspects of spatial design, from residential to commercial spaces; Develop technical skills in drawing, model-making, and digital design tools; Learn to communicate design ideas effectively through visual and written means; Collaborate on projects that mirror real-world design scenarios; Benefit from flexible online study supported by experienced design professionals.
