Photography (in conjunction with the Open College of the Arts)

Open University in Scotland

Content

Transform your passion for photography into a powerful means of visual communication with our BA (Honours) Photography degree. This innovative online programme blends technical mastery with creative exploration, encouraging you to push the boundaries of photographic expression. Guided by industry professionals, you'll develop a critical eye for image-making in the digital age while building a portfolio that reflects your unique perspective. The flexible nature of this course allows you to balance your photographic journey with other life commitments.

Key features:

Master a range of photographic techniques, from traditional to cutting-edge digital; Explore the cultural and ethical implications of image-making in today's world; Engage in virtual critiques and collaborative projects with peers globally; Develop a professional portfolio tailored to your career aspirations.

Balance your studies with other commitments through flexible distance learning.
