

## Textiles (in conjunction with the Open College of the Arts)

Open University in Scotland

### Content

This innovative online degree offers a comprehensive exploration of textiles, from surface design and material manipulation to fashion and interiors. Whether you are a beginner or an experienced textile artist, you'll develop your skills, push creative boundaries, and build a distinctive practice. With guidance from industry professionals, you'll blend traditional techniques with contemporary approaches, preparing for a dynamic career in the textile and design industries.

Key features:

Master a diverse range of textile techniques, from weaving to digital printing; Explore the intersection of textiles with other design disciplines; Engage with sustainability and ethical considerations in textile production; Develop a professional portfolio tailored to your career aspirations; Benefit from flexible online learning supported by industry practitioners.
