Visual Communications (in conjunction with the Open College of the Arts)

Open University in Scotland

Content

This versatile online degree explores a wide range of visual practices, from graphic design and typography to illustration and animation. You'll develop your unique creative voice while learning to communicate effectively across various media. With guidance from industry professionals, you'll build a diverse skill set that prepares you for a dynamic career in visual creativity. The flexible distance learning format allows you to balance your studies with other commitments, making it ideal for aspiring designers and illustrators.

Key features:

Explore multiple disciplines, including graphic design, illustration, and animation; Develop a personal creative voice through diverse projects and experimentation; Learn from experienced practitioners in the field of visual communications; Create a versatile portfolio showcasing your interdisciplinary skills.

Study flexibly online, adapting the course to your lifestyle and creative goals.
