

Business and Economics

Open University in Scotland

Content

Step into the world of business and economics with this dynamic diploma. You'll explore how organisations operate, understand the role of finance in society, and gain essential insights into economic systems and policy. From business strategy and marketing to global trade and inequality, you'll examine how economic and managerial thinking shapes real-world outcomes. You'll also develop critical thinking, data analysis, and decision-making skills, which employers value across sectors. Whether you aim to progress your career or continue your studies, this diploma equips you with the knowledge and confidence to succeed in a rapidly changing business landscape.
