

Business and Economics

Open University in Scotland

Content

Start your journey in business and economics with this engaging and accessible certificate. You'll explore how organisations work, build awareness of personal and household finance, and gain an understanding of key economic ideas that shape everyday life. From marketing and management to global markets and government policy, you'll examine how business and economic thinking affects individuals, organisations, and society. Through real-world case studies, you'll develop critical thinking, communication, and practical problem-solving skills. Whether you're aiming for a new direction or preparing for further study, this course gives you the confidence and knowledge to take your next step.
