

# Computer Science with Artificial Intelligence

Open University in Scotland

## Content

Gain the in-demand skills needed in a fast-moving digital world through our computer science with artificial intelligence diploma, designed using the latest industry insights and research. You'll go beyond computer science fundamentals and explore AI topics that are rapidly shaping how we live, work and connect. Through practical projects, you'll become a computational problem solver, gaining valuable transferable skills in computing, mathematics and programming. So, whichever tech areas interest you most, we'll equip you with the skills for a wide range of careers.

## Start Date

October, February, April

## Qualification

DipHE

## Study Method

Online learning

## Course Length

Flexible

## Faculty

General

## Department

Computing and IT

## Entry Requirements

No formal entry requirements. Computer and internet access required.

## SCQF Level

8

## Progression Routes

«ProgressionRoutes»

## Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»

## Address

10 Drumsheugh Gardens  
Edinburgh  
EH3 7QJ
