History and French

Open University in Scotland

Content

In this certificate, you'll examine four periods of swift and radical change: the Reformation, the French Revolution, the aftermath of World War I, and the 1960s. You'll combine this with developing your confidence in listening, reading, writing, speaking and interacting in French, as well as expanding your knowledge and understanding of French-speaking cultures. Studying history alongside a modern language opens up many career options and can be the key to the global workplace.

Start Date

October, February

Qualification

CertHE

Study Method

Online learning

Course Length

Flexible

Faculty

General

Department

Arts and Humanities
