Content

The LLM in Corporate Law provides an in-depth knowledge of the legal, economic, financial, and governance matters covering the most relevant aspects in the life cycle of a corporation.

This innovative programme goes beyond a narrow focus on legal rules and situates the study of corporate law in a wider comparative and interdisciplinary context.

As a student of this programme, you will have the opportunity to develop a critical understanding of the key matters and the most recent developments in across three main areas: comparative and international corporate governance; economic analysis of corporate law and finance; and UK company law.
