

Accounting and Finance

Abertay University

Content

This course gives you the option to study abroad and/or go on a work placement. You'll gain all the skills and expertise you need in a supportive, hands-on learning environment. You'll graduate with a strong CV, packed with work experience and real world projects - ready to start work in accountancy, auditing or corporate finance.

You'll start by building a solid foundation in accounting, finance, economics, and general business. Then progress to more advanced areas such as corporate finance, financial reporting, strategic management accounting, taxation, and auditing.
