Main Campus

Content

This programme promotes the production of aesthetically challenging work that explores the limits of sound manipulation and evaluates perceptions of sound design and production for the moving image. It will stimulate students in the development of original content within the field of sound production and post-production for the moving image.

The programme will also provide a grounding in the professional practice of sound production for visual environments, such as film, animation, television, online, interactive media and games, theatre and art installations.
