

## Workstart

Forth Valley College

### Venues

Alloa Campus  
Falkirk Campus  
Stirling Campus

### Content

This Workstart course has been designed for young people with additional support needs including care experienced young people. The course is student centred and we work with each young person to identify their strengths and qualities, and help them challenge their abilities and focus on their future.

The course is centred on three themes:

Work skills -We offer a Steps to Work programme where students participate in local community projects.

Personal Development - We support students to develop knowledge of their skills and qualities, and personal and social development through individual and team working.

Attainment - Coreskills and SQA units are embedded into the course and students work throughout the year on increasing their qualifications at their required level.

### Start Date

August
