

Clinical Nutrition

University of Glasgow

Venues

Gilmorehill Campus

Content

This Clinical Nutrition MSc provides health professionals with specialist knowledge and training in clinical nutrition and is designed for doctors, nurses and pharmacists. You will gain an in-depth, evidence-based knowledge of clinical nutrition and have the opportunity to undertake clinical case studies.

Start Date

September

Qualification

Postgraduate Master's

Study Method

Full time

Award Title

MSc MedSci

Course Length

12 months

Faculty

College of Medical, Veterinary and Life Sciences

Department

Medicine, Dentistry and Nursing

Entry Requirements

You must be a clinical health professional and therefore have a degree in medicine, nursing or pharmacy from an institution recognised by the University Court. If you apply for Clinical Nutrition but are ineligible you will be considered for Human Nutrition with specialisation in Clinical Nutrition.

You are required to provide two references, a full degree transcript and a personal statement with your application.
