Content

This course is designed for young people who have significant learning support needs. It can provide a pathway to adult and community services with an emphasis on extending social skills, life skills and encouraging independence.

Students will study towards the SQA Personal Achievement Award at Level 2, which are designed to enable learners to develop their confidence, independence, and their ability to communicate and respond to others in their own way.

Students will also have the opportunity to participate in a range of new and familiar activities, and to experience and contribute to their community across a range of social contexts.

Content:

Literacy; Health and well being; Employability, enterprise and citizenship; Thinking skills.
