

Global Health Studies (PgCert)

University of Edinburgh

Venues

Off Campus

Content

This programme is designed to enable those with a personal, academic or professional interest in global health to study a variety of related subjects and join colleagues and fellow students in a global community.

The programme is invoiced at course level, allowing you to pick and choose your curriculum content, and manage your learning within flexible 5 or 11 week teaching blocks, which are offered at fixed time periods across the academic calendar.

The programme is structured to equip students with a comprehensive knowledge base in various aspects of global health.

The emphasis is on the interdisciplinary nature of the subject and this is reflected by the wide range of courses it is possible to study within the programme.

You can exit at the end of 2 years with PgProfDev Global Health Studies.

Start Date

September

Qualification

Postgraduate Certificate

Study Method

Distance and Flexible learning

Course Length

3 years

Faculty

College of Medicine and Veterinary Medicine

Department
