

Urology

University of Edinburgh

Venues

Off Campus

Content

This programme is delivered by the University in partnership with the Royal College of Surgeons of Edinburgh, and leads to the award of Master of Surgery (ChM). It runs alongside clinical training and complements in-the-workplace training.

Based on the UK Intercollegiate Surgical Curriculum, it offers trainees in urology the opportunity to study topics relevant to the specialty and supports preparation for final professional exit exams such as FRCS and FEBU. Your study will allow you to improve your evidence-based knowledge and enhance your clinical practice.

Start Date

September

Qualification

Postgraduate Master's

Study Method

Distance and Flexible learning

Award Title

ChM

Course Length

2 years

Faculty

College of Medicine and Veterinary Medicine

Department

Medicine

Entry Requirements

A medical degree (MChB or equivalent) recognised by the General Medical Council, and must have acquired your MRCS (or

equivalent assessment milestone).

UK applicants must be an Advanced Trainee in Urology (UK ST 4) and be based in a supervised surgical training programme at the time of enrolling.

Surgeons who have a consultant or career grade post (or equivalent) in urology are also eligible for entry.
