

Child Nursing

University of Dundee

Venues

City Campus
Kirkcaldy Campus

Content

Dundee are one of the largest nursing and midwifery education providers in Scotland. Nursing students come from a wide range of backgrounds and join a large international campus with a reputation for good student facilities and social life.

Their programmes reflect the ever changing face of health care in Scotland and address the political and ethical aspects of health care provision.

You will gain experience in the clinical skills centres and participate in inter-professional learning with medical and other students.
