Content

The beauty industry is perfect for outgoing and creative individuals. Growing year on year, with a variety of new and exciting treatments, the industry has an ever-expanding clientele.

Ideal for those who have progressed from Level 5 NC Beauty Care and Make-Up, this course will build upon the foundation developed and focus on the practical skills required by local industry and clientele. It will include beauty and nail treatments, spa therapies and wellness therapies.

You will also develop your study skills with more independent research-based learning which will be advantageous if you wish to progress to HNC level.
