

Electronics and Computer Science

University of Edinburgh

Venues

King's Buildings Campus

Content

Electronics and computer science are a fascinating and highly valuable combination.

Interactions between these fields have generated some of the most significant advances in computer design and communications technology over the last 50 years.

They teach a solid foundation of electronics and computer science. You will learn how to design and apply both the hardware and software of general-purpose and embedded computer systems.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

MEng

UCAS Code

GHK6

Course Length

5 years

Faculty

College of Science and Engineering

Department

Engineering

Entry Requirements

2027 entry requirements

Standard entry:

4 Highers at AAAA (by end of S5 preferred) including Maths at A and one from Biology, Chemistry, Computing Science, Engineering Science or Physics (preferred) plus National 5 Engineering Science or Physics at B and English at C.

Widening access entry:

4 Highers at AABB (two sittings) including Maths at A and one from Biology, Chemistry, Computing Science, Engineering Science or Physics (preferred) plus National 5 Engineering Science or Physics at B and English at C. Highers at BBB must be achieved in one sitting.

SCQF Level

11

SCQF Points

«SCQFPoints»

Progression Routes

Degrees are accredited the UK Engineering Council by the British Computer Society

Combination Courses
