Advanced Certificate in Accounting (Level 6)

Dundee and Angus College

Venues

Gardyne Campus

Content

This course is an ideal starting point for learners with no accounting or limited accounting knowledge. The course will provide learners with a good foundation in areas of study such as: financial accounting; management accounting; salaries and wages; information technology; communication; economics; employability skills. Units of study are subject to change. This course provides an entry point to learners, which can then be used to embark on further study.
