Content

Harness your energy and enthusiasm for children and young people as they navigate their experiences, on our pioneering programme, the first to combine child and youth studies in Scotland, to pursue an exciting and rewarding career in this diverse and vital field.

Gain a deep understanding of child and youth issues within a local and global context. Learn about the social, psychological, environmental and legislative influences upon children and young people to make a difference to their lives, opportunities and futures. Explore and reflect on key theories, policy and practice, to take a holistic, contextual approach that values difference and diversity within individuals, families, and communities to progress children and young people's meaningful participation and human rights.
