

## Astrophysics

University of Edinburgh

### Venues

King's Buildings Campus

### Content

Astrophysics introduces you to the basics of physics and demonstrates how this knowledge can be applied to the physics of astronomy.

On this degree programme, we try to provide a unique and deep insight into the major scientific controversies of our time.

Recently, there have been dramatic astronomical discoveries, and large amounts of data have been gathered. Therefore, this is a very exciting time to study astrophysics.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BSc Hons

### UCAS Code

F510

### Course Length

4 years

### Faculty

College of Science and Engineering

### Department

Physics and Astronomy

## Entry Requirements

2027 entry requirements

Standard entry:

4 Highers at AAAA (by end of S5 preferred) including Maths and Physics plus English at National 5. Advanced Higher Maths is recommended.

Direct entry to year 2 is possible with 3 Advanced Highers at AAA including Maths and Physics.

Widening access entry:

4 Highers at AABB (by end of S6) including Maths at A and Physics plus English at National 5. Advanced Higher Maths is recommended. Highers at BBB must be achieved in one sitting.

## SCQF Level

10
