

AAT Advanced Diploma in Accounting (Level 6)

Dundee and Angus College

Venues

Gardyne Campus

Content

This course provides a professional qualification to help gain employment or progress to further professional study. It covers the following areas of study: advanced bookkeeping; preparation of sole trader and partnership accounts; costing; indirect tax; professional ethics and spreadsheet software. The course is delivered by way of online material or taught classes via text books. (Registration with AAT professional body is required at the start of the course; examination fees and text books are not included in the course fees.) Text books will be ordered by the college and charged to the student accordingly.
