

Economic Development (with Finance and Policy pathways)

University of Glasgow

Venues

Gilmorehill Campus

Content

This exciting new Masters programme combines elements of our popular programmes, giving you the benefit of being exposed to a wide range of courses during the first semester, before having to choose your preferred path.

In the second semester, you can then specialise in either finance (with a focus on developing countries) or development policy. The programme focuses on the economic analysis of issues primarily related to economic development and development policy.

Start Date

September
