

City Planning

University of Glasgow

Venues

Gilmorehill Campus

Content

Climate change and rapid urbanisation ensures a high demand for professional planners. The Master's in City Planning at the University of Glasgow will help you develop your critical understanding of cities and the positive impact that evidence-based and innovative decision-making can have on human settlements. Students who join our programme will be equipped with the knowledge and skills they need to enter the planning profession and become sustainable place makers of the future.
